HIGHLIGHTS FOR THE DCI

Tuesday, 29 May

--Approved responses to NSDD-138 on Counterterrorism. AI will get coordination from around the Community before forwarding to the NSC. Meanwhile, before the 31 July NSPG, AI will have the Community rank the initiatives in terms of their costs, risks and feasibility. We could then begin implementing those with potential and available resources and reconsider reprogramming, going to a supplemental or the reserve for those with potential but no available resources.

Wednesday, 30 May

--Passed on your cable regarding your session [redacted] 25X1
to the President, Secretary of State, Secretary of Defense and McFarlane.

--See Tab A for a newspaper article noting Senator Moynihan's
"suspicions" that we are end running Congress for funding and for
[redacted] cleaned-up version of our response. 25X1

Thursday, 31 May
